INToxicating SPACES
The Impact of New Intoxicants on Public Spaces in Europe, c.1600–c.1850
Tea | Coffee | Tobacco | Sugar | Opium | Cocoa

PARTNERS & FUNDING
Intoxicating Spaces is a collaboration between Carl von Ossietzky Universität Oldenburg (Germany), the University of Sheffield (UK), Stockholm University (Sweden), and Utrecht University (Netherlands). We are funded by HERA, as part of its research programme Public Spaces: Culture and Integration in Europe, and the German Federal Ministry for Education and Research (BMBF).
